EDUCATION

International Institute of Information Technology

B.E. Information Technology – CGPA – 9.57

Aug 2023 – June 2026Y

Pune, India

Pimpri Chinchwad Polytechnic

Diploma Computer – Percentage – 87.83

Aug 2020 – May 2023

Pune, India

PROJECTS

1. Web Tour Management System | HTML, CSS, JavaScript, PHP

Feb 2023

- Created an online booking platform that allows users to input personal details, explore destinations, and reserve tickets. Established MySQL database integration to manage and store customer and booking records efficiently.
- Constructed a secure payment gateway and slot reservation system to facilitate smooth transactions. Crafted an engaging front-end layout using HTML and CSS to enhance user experience.

2. CRUD Application | HTML, CSS, MongoDB, JavaScript

Jan 2024

- Developed a CRUD Web Application with an interactive HTML/CSS front-end, integrated JavaScript for dynamic user interactions, and implemented a secure back-end for efficient data management and storage.

3. Medicine Recommendation System | ML, Python

Oct 2024

- Developed a Machine Learning-based Treatment Recommendation System using KNN algorithm, offering accurate medicine, exercise, and diet suggestions via a user-friendly interface; conducted rigorous testing to ensure reliable performance.

4. Real-Time Chat Application | HTML, Node.JS, CSS

Feb 2025

- Designed a live messaging application leveraging WebSocket technology for instant communication.
- Built an intuitive user interface to facilitate seamless interaction. Configured WebSocket functionality on the server side to support real-time data exchange.

5. Weather App | HTML, CSS, JavaScript

March 2025

- Developed a weather application that fetches live weather data for a user-entered city using API The app provides current weather conditions, including temperature, humidity, and pressure.

TECHNICAL SKILLS

Language: C++, Java, JavaScript, Python, HTML, CSS

Frameworks: React.js, Node.js, Express.js Bootstrap

Databases: MongoDB, Mysql

Tools: VS Code, Git/Github, Jupyter Notebook, Google Collab, Ubuntu, Sublime Text, IntelliJ Idea

Academics Coursework: Data Structure and Algorithm, Computer Network, Oops

PARTICIPATED ACTIVITIES

ITSA Committee – Graphic Designer

2024

Designed creative **visual content**, posters, and banners for college tech events, enhancing **event branding** and outreach
